Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.

Governing Council Report

2024 was another successful year for Glenburnie Primary School. Students were provided with many opportunities such as SAPSASA, YELP, Eisteddfods, multiple excursions, and of course the annual Beach Day. 2024 was also the year Glenburnie Primary School celebrated our 150th year of education, we celebrated with a massive cake, student speeches based on our history and a mural designed and painted by local artist April Hague.

Our wonderful Parent Club and SRC provided fun events and special lunches which are of great benefit to the wellbeing of students. Parent Club held multiple fundraisers, enabling the students to enjoy an abundance of resources and equipment.

Teachers have continually upskilled and worked on the site improvement plan, while creating a safe and engaging environment for learning. We have seen improvements to the school facilities along with future planning thanks to Judy Goodes' advocacy and the Governing Council's support. I look forward to witnessing continued success in 2024.
